## Fall 2024 - Spring 2025

Payment, Cancellation, & Transfer Policy, Age Policy, and Participant Requirements

### **Payment, Cancellation, and Transfer Policy**

**A non-refundable deposit is due at the time of registration.** Invoices for full year and fall 2024 registration (full price minus initial deposit) will be issued on June 1 and are due on June 15, and invoices for spring 2025 registration will be issued on November 1 and are due November 15. For late registration after the initial billing period, bills will be issued within three days of registration and will be due in two weeks or before the next session of the course, whichever comes first. Email [info@mynaturelab.org](mailto:info@mynaturelab.org) to request information about setting up a payment plan if you require financial assistance. Pricing breakdowns are as follows:

	<b>Deposit</b>	<b>Invoice</b>	<b>Total</b>
<b>Full year, full day</b>	\$300	\$1908	\$2208
<b>Full year, half day</b>	\$200	\$1,126	\$1326
<b>Session, full day</b>	\$150	\$1149	\$1299
<b>Session, half day</b>	\$100	\$680	\$780
<b>Hatchlings (year)</b>	\$200	\$1228	\$1428
<b>Hatchlings (session)</b>	\$100	\$740	\$840

**Late payments will incur a \$50 fee.** Students with unpaid balances at the start of their program will not be allowed to attend their program until all outstanding balances are paid.

**No refunds will be given for cancellations.** If your child is unable to attend the program for which they are registered, you will be charged the full amount and you can either:

(1) Transfer your registration to a family member or friend of the appropriate age. Transfer requests must be submitted to [info@mynaturelab.org](mailto:info@mynaturelab.org) and must be approved before a transfer is accepted. Restrictions may apply.

(2) Request a donation receipt to the Center for Snake Conservation - My Nature Lab for the full amount of a canceled registration.

Please email [info@mynaturelab.org](mailto:info@mynaturelab.org) for questions, cancellations, or transfer requests.

## **Age Policy**

All students must meet the age requirements below (as of October 1, 2024). If students do not fall into these age categories and have not received written approval to register, their registration will be canceled minus a \$25 administrative fee.

**Hatchlings:** Ages 4-5 (rising Pre-K and Kindergarten; age as of October 1, 2024)

**Budding Biologists:** Ages 6-7 (1st and 2nd grade, age as of October 1, 2024)

**Life Scientists:** Ages 8-9 (3rd and 4th grade, age as of October 1, 2024)

**Junior Biologists:** Ages 10-11 (5th and 6th grade, age as of October 1, 2024)

**Senior Biologists:** Ages 12-13 (7th and 8th grade, age as of October 1, 2024)

## **Participant Requirements**

All participants must be fully potty trained, follow directions, and stay with the group at all times in the Lab and in the Field. Conditions in the field may be uncomfortable (tall grass, heat, cold, water, long walks, etc.) and students must be prepared for these conditions and be able to stay with the group. Students must demonstrate respectful behavior towards other students, educators, property, lab/wild animals, etc. at all times. Bullying and inappropriate conduct will not be tolerated. If your child does not meet all of these requirements, My Nature Lab reserves the right to withdraw your child from an individual lesson or the program without a refund.
